

## IS BOTTLED WATER A NECESSITY? DEBATE EVALUATION CHECKLIST

*The checklists below will be used to evaluate you during your debate.*

### **Considerations for judges:**

- ✓ Did the team make convincing statements with adequate proof?
- ✓ Did the team articulate their ideas clearly?
- ✓ Was the team respectful of all the rules?
- ✓ Was the team respectful of their own members and opposing members?
- ✓ Did the team ask a relevant clarifying question during the question period?
- ✓ Did the team answer their opponent's question intelligently?
- ✓ Did the team address the issues brought up during the rebuttal period well?
- ✓ Did the team tie up their arguments well and leave you convinced?

### **You will be evaluated individually according to the following criteria:**

- ✓ Good articulation of ideas you present (affirmative/negative/rebuttals)
- ✓ Preparedness
- ✓ Reflection Sheet (Self-Evaluation)

### **You will be evaluated in groups according to the following criteria:**

- ✓ Strength of presentation as a team
- ✓ Use of relevant supporting evidence
- ✓ Overall preparedness
- ✓ Collaboration (evidenced during practice sessions before debate and rebuttal preparation period during debate)
- ✓ Peer Evaluation sheet – each group member will be asked to fill out a form about the other members of the group (how much they contributed, how well they worked with the rest of the group etc. and these statements will be rated on a scale of 1- 5 with 5 being the highest score)
